WELCOME

Welcome to the 2019 ECB ACO Merchandise Catalogue, a one-stop-shop for all your officiating needs at affordable prices. Remember to take advantage of all the multi-buy offers and multi-packs giving you some fantastic savings.

After a record year in 2018 the merchandise range include updates to the leisure range for both men and women, new sunglasses, new footwear and some new accessories plus the 10 Years commemorative range.

The Pro II and Match II onfield ranges remain the same for 2019, but updated packs and multi-buys are available throughout the range giving you great savings. Both white and red ball merchandise is available for all levels.

A full range of new jackets, sweatshirts, polo shirts and fleece tops are now available in a variety of new colours and sizes for both men and women so please have a look at the full ranges available in the catalogue and online, and remember to take advantage of the savings available in the multi-buys and packs.

Celebrating our 10 Years of the ACO there is a Limited Edition 10 Years range of branded products for this year only. The 10 Years range is available exclusively online so make sure you have a look at the range before it is too late!

Don't forget the ECB ACO Shop emails weekly special offers and information on NEW products that are launched throughout the year. If you currently do not receive these emails and would like to please notify ECB ACO Shop and they will add you to this mailing list.

Remember your feedback is invaluable to us for further development and improvements, so please let us have your thoughts throughout the year.

Good luck for 2019 and I hope you enjoy the new catalogue of merchandise!

PERSONALISE YOUR KIT

FROM ONLY £3 PER ITEM

How does it work?

1. You can personalise any product tagged with the iD-Me icon with up to 5 initials.
2. Select the product you require and select the correct colour option that states '+ Initials'.
3. Select the size & quantity required, then add to your basket.
4. Once you have bought all the items required go to your shopping basket to check-out.
5. After selecting your delivery method put the Initials you require for all the relevant items in the 'Special Delivery Instructions' below the Delivery method.
6. You will then get a confirmation email acknowledging the placement of your order.
7. We will then process your order and send you a further email telling you your order has been accepted and from this point you will be unable to cancel or amend your order.
8. We then personalise your order which takes approximately 1 week depending on the time of year - during busy periods such as the start of the cricket season the process may take longer than 1 week and in these instances you will be informed if your order will take longer than anticipated.
9. Once your order has been personalised it will be despatched to you with most orders delivered within 10 working days from placement of orders.

Look out for the **iD-Me** logo throughout the catalogue for products that can be personalised.

iD-Me Special Terms & Conditions

All personalised items cannot be cancelled, returned for exchange or refund once the order has been confirmed as processed unless the item has a genuine manufacturing fault.

Only Initials are acceptable, names, nicknames and initials deemed offensive are not acceptable. In cases where sets of initials are deemed potentially offensive only the forename and surname initials will be used. The customer will be informed of any alterations before any personalisation is carried out to ensure the alterations are acceptable.

The colour of the initials will be same as the ECB ACO logo throughout.

The initials will be positioned below the ECB ACO logo on all clothing garments and where appropriate on other items, such as holdalls.

Sizes of the Initials will vary per item and will be sized at our discretion.

A standard complimentary font will be used to suit the ECB ACO logo, therefore specific font requests will not be accepted.
